

Web undervisning:

Trimble tilbyder en række gratis webkurser på denne hjemmeside:

http://www.trimblelms.com/login/1049/trimble_agriculture.html

- Lavet et login til siden
- Gå til fanen "Web Based"
- Tryk "Search"

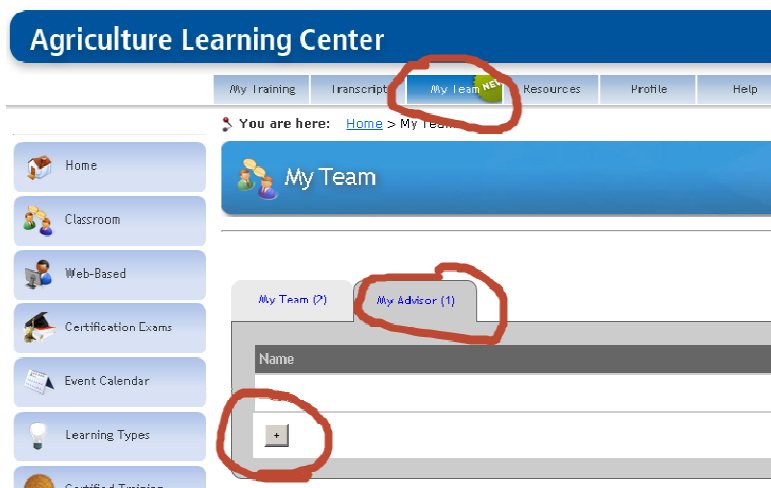

The screenshot shows the Agriculture Learning Center interface. At the top, there is a navigation bar with 'My Training', 'Transcript', 'My Team' (with a 'NEW' badge), 'Resources', and 'Profile'. Below this is a breadcrumb trail: 'You are here: Home > Web-Based Training'. The main content area is titled 'Web-Based Training'. On the left, a sidebar contains several menu items: 'Home', 'Classroom', 'Web-Based' (circled in red), 'Certification Exams', 'Event Calendar', 'Learning Types', 'Certified Training', and 'Contact Us'. The main content area has a section 'Set your filters:' followed by a search form. The search form includes fields for 'Keyword:', 'Category:' (with a dropdown menu), and 'Business Area:' (with a dropdown menu), and a 'Reset' button. A large red 'X' is drawn over the search form. Below the search form, there is a note: '[To see the **full list** of available courses leave the Keyword and...'. At the bottom right, a 'SEARCH' button is circled in red.

- Du har nu mulighed for at vælge en række webkurser marker i "Enroll" feltet og tryk "Step 2"
- Bekræft dine valg.
- Gå til fanen "My training" og vælg "Launch" på det webkursus du ønsker at starte.

Det kan være en god ide at sidde med Farm Works programmet åben på computeren og have udlæst data fra traktor/mejetærsker terminalerne til en USB stick inden man går i gang. Dette giver mulighed for at "Pause" webkurset menes du øver med egne data.

Tilmeld Geoteam som "My Advisor"
